

# Contribute to the wiki and receive Dragon Shards!

Welcome!

If you would like to contribute to the Dragonstone Wiki, please open a Discord Ticket and request edit permissions, and Dragon will set you up with the necessary permissions.

You must be an active and known trustworthy player to apply for edit perms.

Thank you for your contributions!

## WIKI EDITING TIPS:

- To wrap text around an image, use the "align text" buttons up top while the image is selected. While this button normally aligns text, it also aligns images allowing text to flow around the image.
- To insert a new line without the extra space in between, use "shift + enter" instead of just "enter", this will remove the extra space when making a new line.
