

Court

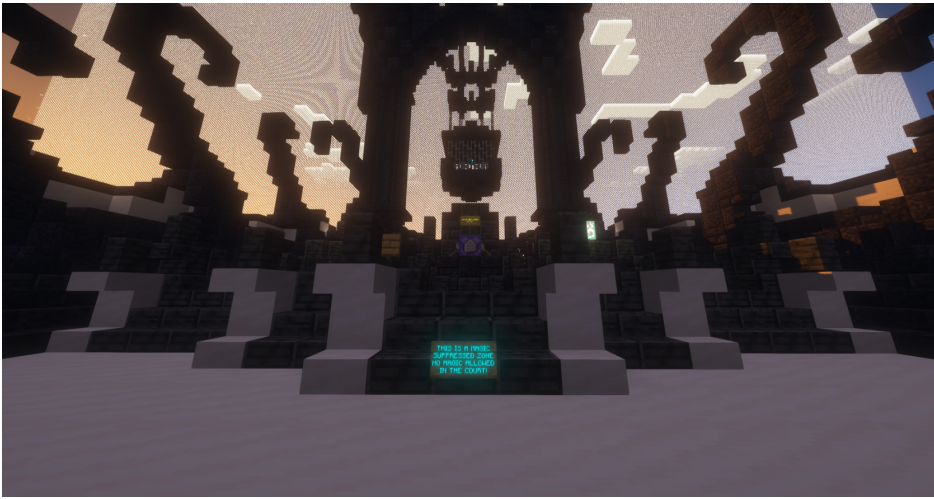

Cycle 6's Outside View of Court

The Court's purpose is to settle disputes amongst those in Dragonstone. The court is large and features a lava pit in the center that is only accessible through an iron door. The court can be found using [/warp court](#). It is also connected to the white bridge that connects to the [forge](#), [shops](#), and [PVP arena](#).

Additional: The Court is now controlled by an AI, and is in a Magic Suppressed Zone.

Documentation of past court cases can be found [here](#).
