PVP Arena

The PVP Arena, although not used very often, is a place where all players, regardless of their reason may combat one another, it is important to note that the area is **Keep Inventory** so no need to worry about losing your shinies**!** Other players can watch from above on barrier blocks that provide a birds-eye view of the battles below. This arena can be found using **/warp arena.** It is also connected to a white bridge that leads to the **court, forge,** and **shops.**
