

PVP Arena

The PVP Arena, although not used very often, is a place where all players, regardless of their reason may combat one another, it is important to note that the area is **Keep Inventory** so no need to worry about losing your shinies! Other players can watch from above on barrier blocks that provide a birds-eye view of the battles below. This arena can be found using [/warp arena](#). It is also connected to a white bridge that leads to the [court](#), [forge](#), and [shops](#).
